Dear Ms. McCarthy,

This letter is in response to your notice dated January 26, 1999 regarding the preliminary review of the 30-Day Post General Report (10/15/98-11/23/98) submitted by the Friends of Lois Capps Committee. The following corrective action has been taken:

- 1) Enclosed are amendments to the 30-Day Post-General and 12-Day Pre-Election Reports submitted by our committee.

Due to clerical error, Schedules A and B of the 30-Day Post General Report disclose activity outside of the coverage period. Seventeen of nineteen items received on 10/14/98 in Schedule A were previously disclosed in the 12-Day Pre-Election Report.

These duplications have been deleted, while the two items incorrectly reported within that period have been correctly re-disclosed in the amended 12-Day Pre-Election Report.

In addition, six expenditures recorded before 10/15/98 in Schedule B of the 30-Day Post General Report have been correctly re-disclosed in the amended 12-Day Pre-Election Report.

A summary of these changes is attached.

- 2) Due to clerical error, Line 17, Column A, of the Detailed Summary Page of the 30-Day Post General Report was incorrectly reported as \$382,608.16. With the submitted amendments, Line 17, Column A has been corrected and disclosed as \$387,528.23.
